

Seok-Oh Ko

Professor

Department of Civil Engineering, Kyung Hee University
1, Seochun-Dong, Giheung-Gu, Yongin-Si, 449-701, Gyunggi-Do, Korea
Tel (office): 82-31-201-2999
Tel (cell): 82-10-5324-3593
E-mail: soko@khu.ac.kr

Education

1994 – 1998 : Texas A&M University (Ph.D)
1987 - 1989 : KAIST(Korea Advanced Institute of Science & Technology) (M.S.)
1983 - 1987 : Korea University (B.S.)

Working experience

2001 – present : Kyung Hee University, Professor
1998 – 2001 : Senior Researcher, Daewoo Institute of Construction Technology
1994 – 1998 : Research Assistant, Texas A&M University
1989 – 1994 : Researcher Engineer, Daewoo Institute of Construction Technology

Research Interests

- Control of nonpoint source pollutants
- Soil and groundwater remediation
- Physico-chemical treatment of toxic contaminants in aquatic environment
- Management of contaminated sediments

Academic Memberships

Korean Society of Environmental Engineers (Vice President)
Korean Society of Civil Engineer (Senior Associate Editor)
Korean Society of Water Environment
